Dear Colonel Grogan:

I think you will be interested in the attached
little booklet, "A History of Sperry Rand Corporation."

Sperry Rand serves many and varied fields -- in
factories and offices, on farms, at controls of airplanes
and spacecrafts, on the bridges of ships, or intercepting
missiles and aircrafts.

With plants in 21 States, Puerto Rico and 17
foreign countries, Sperry Rand was formed in 1955 by the
consolidation of two well-established firms, The Sperry
Corporation and Pennington Rand, Inc. The origin of both
firms date back many years in our industrial history.
This is their story.

Sincerely yours,
